Prayer Walks

Prayer Walking is just what it sounds like - praying to God while walking around. Instead of closing our eyes and bowing our heads, we keep our eyes open to the needs we see around us and bow our hearts to ask humbly for God to intervene. You can prayer walk in small groups of two or three or you can prayer walk by yourself. As you walk and pray, be alert for opportunities and listen for promptings by God's Spirit to pray for individuals and groups you meet along the way. If you would like to join in this ministry let Rev Mike Know

Whist Drives

Regular Whist Drives are run in The School Hall from September to April/May every year.

All are welcome to this social evening. Open to all levels of experience and none!

Details will be posted when Drives resume, in the Cashel Union of Parishes Newsletter "Directions"

Community Food Bank Project - St Mary's Tipperary Town

Established in 2021, the Community Food Bank project is led by Revd. Mike and a team of volunteers from the community and local schools.

The food bank is now receiving requests from community groups not only from Tipperary town and its surrounds but also Cashel and its surrounds. Requests come from community workers and social workers. For more information see "Directions" or contact Revd. Mike
